Proceedings. Mis No. 422

Station Madras, *Dated the* ~~29th September 21~~ 191

From (Name) ~~S. Cox Esq, C.I.E., I.F.S.,~~

(Designation) ~~Chief Conservator of Forests.~~

To The Secretary to Government,
Development Department.

Sir,

p 4 ante

With reference to Government Memorandum No. 560-1/21-2 dated 8-7-21 forwarding for report Legislative Council question regarding the disafforestation of Hosabettu reserve in the South Kanara District, I have the honour to state that this reserve has been placed in class IV and contains tree growth which is required for fuel supply to Mudabidri, Bantval and Mangalore towns in view of the shortage of local supplies and the rising prices.

2. The District Forest Officer, the Collector and the Conservator are opposed to its disafforestation and I agree with them--vide my U.O reply No. 149 dated 5-8-1921.

I have the honour to be,
Sir,
Your most obedient servant,
Channadenaya,
for Chief

Please see the question on p2 ante

It has been admitted

2 One of the recommendations of the Forest Committee was — and the Govt have been following the recommendation — that class 6 reserves, i.e., reserves which are so barren or so deteriorated that they are worthless for any purpose would be disafforested. The MoC refers to "small isolated forest reserves There are no orders directing the disafforestation of these isolated reserves as such but if the areas are worthless they will be disafforested.

As regards the Hospet reserve the CC may perhaps be asked to examine the question.

The following draft answer is submitted for consideration

The accepted policy of Govt is to disafforest barren and useless reserves. The suggestion regarding the Hospet reserve will be considered

A draft memo to the CC is also submitted
